Priority Deadline for Fall 2026 Curriculum

April 14, 2025

- Curriculum submitted to Meta after the priority deadline is **NOT** guaranteed to be approved in time for the fall term listed above. However, the Curriculum Committee will make every effort to review and advance as much curriculum as possible, through the approval process.
- Please note, the Curriculum Committee and the Office of Academic Services are heavily impacted by AB 1111, Common Course Numbering.
- For further information or questions, please visit the curriculum development website (QR Code) or contact your division dean.
